Billious, Remittent, and Intermittent

Billous, Remittent, and Intermittent Pevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Branos, Rio Grande, Pearl, Alabama, Mobile, Savamnah, Roasoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autuma, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S HANNAH P. KNAPP. DR. The properties of Dr. WALKER'S VINEGAR BUTTERS are Aperient, Diaphoretic and Carminative Nutritions, Laxanive, Diarctic, Sedative, Counter-Irri ant, Sudorific, Alterative, and Anti-Bilious. The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR EXTRES are the best safe.

Dr. WALKER'S VINEGAR BUTTERS are the best safe-quard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fances. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Distrette properties act on the Kid-neya, correcting and regulating the flow of urine. Their And-Bilious properties stimulate the liver, in the secre-tion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by por-fying all its fluids with Vintoan Birrans. No epi-demic can take hold of a system thus forcarmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease proof by this great invig-cent. Directions .- Take of the Bitters on going to bed
